To Whom It May Concern,

My name is Christina Reising and I am the HR Manager for Home Instead Senior Care. Home Instead provides non-medical care to seniors in the East End of Louisville and currently we are one of the largest Home Instead offices out of over nine hundred around the world. As of today, we have approximately 425 CAREGivers/employees and we are always recruiting for more.

I am introducing myself and writing this letter to recommend that you give consideration to forming a business relationship with Lisa Lee from The Genesis Shop. Lisa is a Certified Drug Testing Consultant and is our current supplier of our instant on-site drug testing kits. As you can tell by our size, we have a constant need for drug screens to be readily available to us. During our business relationship with Lisa, she has always been reliable and quickly able to meet our needs. Lisa has been very professional in her actions and communication. Lisa always communicates with us well in advance if she will not be available on a certain day or week and ensures that we have an ample supply of product to meet our needs during that time. While we utilize Lisa/The Genesis Shop for drug screens, it is my understanding that The Genesis Shop offers many other services as well. I feel confident that no matter what service you utilize through Lisa and The Genesis Shop, you will receive the same quality service and attention that Home Instead has had during our business relationship.

In addition to the professionalism and quality of service that Lisa has shown, we absolutely love the fact that Lisa is a local representative. While we didn't have any issues with our past drug screen vendor, they were still several states away. To know that our vendor is living and working right here in the state of Kentucky reinforces to me that Lisa and the product are easier and faster to access.

Please feel free to contact me directly at (502) 515-9515 if you would like to validate this letter or if you have any additional questions or comments.

Sincerely,

A handwritten signature in black ink that reads "C. Reising". The signature is written in a cursive style with a large, looping "R".
